

**MUSLIM CHAMBER OF  
COMMERCE & INDUSTRIES**

**Dear Sirs,**

We are extremely happy to announce the formation of **“Muslim Chamber of Commerce and Industries” (MCCI)**, with its office based in Pune.

Our aim is to build a platform for the Muslim community through which we all together should be able to bring about the desired changes in the moral, social, financial and educational conditions of the Muslim community. The Chamber will endeavor to design and develop policies and programs that will stir the development within our community.

Membership application form and other details are enclosed and are also available on the web site. You are requested to fill in the form and submit the same back to us along with the required payment for the membership, for completing the formalities.

To effectively fulfill the aims and objectives mentioned in the Prospectus, it is essential for us to know the present status of the community and hence as the first step we would like to initiate and undertake the following activities.

---

### **Directory of Muslim Industrialists, Businessmen and Professionals**

1. To carry out the survey and listing of the Industries and other businesses and services run by Muslims in Pune region in particular and in Maharashtra in general.
  2. To carry out the survey of Muslim entrepreneurs, traders, businessmen and professionals like, Doctors, Engineers, Architects, Advocates, Tax consultants, Journalists, Builders, Consultants and Dealers.
  3. The survey will also cover serving professionals, individuals in the service of state and central governments, private companies and other organizations.
  4. The survey will also cover retired individuals who would like to contribute for the community in their own field of specialization in their own way.
  5. We will also try to include self employed technicians, plumbers, welders, electricians, mechanics etc in the survey.
- After completing the survey we plan to publish the E- Directory of the above information.

---

### **Website of MCCI**

1. **E – Directory** - Of Muslim Industrialists, Businessmen, Entrepreneurs Professionals, Consultants, Traders, Educational Institutes and Social Service Organizations.
2. **Vacancies/ Jobs availability with the Members of MCCI** - Members/Associate Members can post the details of their requirements on this site
3. **Resume of individuals seeking suitable placements** - Individuals seeking suitable placements can post their resume on this site
4. **Pre-owned Products for sale** - Members/ Associates can use this site for selling their pre-owned products

---

### **To Create a Non-Political Platform to Fight against Injustice in the Society**

MCCI will create mass awareness against injustices in the society and endeavour to create a just and peaceful society.

We know that some of the organizations and individual professionals may be members of some other chamber of commerce and hence may not need any help from the MCCI, however we urge and request all such organizations and professional individuals to become the members of the MCCI and be a part of this movement and contribute their bit by participating and providing guidance through the activities of the MCCI to the community at large.

We once again invite you and request you to fill up the Membership form and submit the same back to us along with the necessary fees. Should you have any specific enquiry or questions, please contact us, as your comments/feedback will help us improve and serve the community more effectively.

**Thanking You**  
**Yours truly**

# Prospectus

Last few years have seen good growth and development in the country. Almost all the sectors like, IT, automobile, manufacturing, and services sector in and around Pune have been doing extremely well. Muslims are definitely participating in this process of growth, though in small numbers.

We realize that Muslims have great potential and if given an opportunity and support can do better.

MCCI is dedicated to help build the economic strength through networking and promoting co-operation by encouraging and helping Muslims to get into business. MCCI will also work to help advancement of Muslims in corporate and professional careers..

## **Objectives:**

1. To become a financially independent model community.
2. To help solve many of the moral, social and economic problems which are plaguing our community and our country.
3. To synchronize individual capabilities into collective strength of the group, to put the community into faster growth and development orbit.

## **Our Mission:**

1. To network different industries, business houses and professionals to draw benefit from each other and to offer them platform to contribute and promote development of Muslim entrepreneurs and professionals through their knowledge and experience.
2. To provide help and assistance in getting financial, technical and managerial support to the members in their manufacturing, marketing and other activities.
3. To promote research oriented projects.

## **Our Activities:**

1. To identify and analyze challenges and opportunities in the domain of trade, industry, investments, information technology and e-commerce.
2. To assist small and medium enterprises.

3. To organize seminars, workshops and training programs and study tours based on actual needs and requirements.
4. To conduct and or co-ordinate exhibitions, seminars, workshops, training programs and lectures in the fields of trade and commerce and other business activities.
5. Update the members with latest amendments, rules, regulations and procedures in the matter related to state and central legislations related with business.
6. To co-ordinate and provide consultancy services in the area of marketing, finance, industrial relations, supply chain, IT etc.
7. To assist in joint ventures, collaborations and tie-ups with National and International organizations.
8. To assist the members of the community in company formations.
9. To assist cottage and small scale industries in the branding process and help in marketing their product and services.
10. To study and promote the schemes approved by the central and state governments for the minority community in the area of trade, commerce and education.
11. To assist the central and state governments in conducting research studies and implementing the policies in the area of trade, commerce and education.
12. To be an arbitrator in disputes among the members.
13. To represent the problems related to trade and commerce, of the community, to the state and the central governments.
14. To promote and encourage the development of 'Interest free banking system'.
15. To promote centralized collection of 'Zakat' funds and develop systems to effectively utilize the same for the welfare of the eligible and deserving community members.
16. To interact with other chamber of commerce for promoting the common cause of just development.
